ELIS SEIS Public hearing 052016 (BJH).pptx

Hi Bernward,

I looked at the presentation and left your slides, just edited one slide in red (slide 8 I think) added "notice of intent and moved up Public participation) the slide that shows the 11 sites.

Ex. 5 - Deliberative Process

I will have MEL discuss in the rulemaking the different scenarios of what we are taking comment on .. etc cornfield blah

Take another look and send back. I can revise later today.

For presentation purposes.. I will probably present slides 1-7, 26 & 27 and introduce Mel.

After Mel makes the presentation, you will go back up and introduce folks and call them up to speak.

Thanks, JEannie

Jeannie, we are now just "Louis Berger". They eliminated the "& Associates" part (version from the 1990s), and "Group" (more recent version). Thanks for checking.

Hi Bernward,

Understood.

I thought your organization as Louis Berger is fine but we had Louis Berger Group and Louis Berger & Associates before, any preference? thanks

Hi Jeannie,

will do. When you send me the email later today, please identify which slides that you would like me to talk to, so that I can prepare appropriately. Or alternatively let me know what you would like me to cover and the number of available minutes. Again, my preference is having this information today, rather than tomorrow or on the ferry.

Thanks!

Bernward
